Welcome!!! I thought I'd put together just a very brief Smoke Signals to get us started! Smoke Signals is a monthly publication. It is sent home with your youngest child, usually the third Friday of the month. Expect your next edition on September 19. Check your child's Friday Folder. Smoke Signals contains information not sent home anywhere else, so it is very important that you take a few minutes to read it. Check the monthly calendar and post it for easy reference!

### SCHOOL PICTURES MONDAY, SEPT. 8

Included in your student's Friday Folder is a school picture order form. Pictures will be taken beginning with kindergarten first thing in the morning. Class pictures are taken as a group and will be done outdoors in the church patio. Please make every effort to have your student at school, on time, as there are no make-ups for the class photo. Make-ups for individual pictures will be December 8. ***Pictures must be ordered and paid for when photos are taken.*** STUDENTS MUST WEAR THEIR SCHOOL UNIFORMS.

### OCEAN WEEK September 22- 26

Each year we celebrate the wonders of the oceans with

a special week of studies and activities. On Monday and Tuesday, the MARE group from Lawrence Hall of Science will be on campus to teach classes to each grade in their specific area of study. Wednesday evening we'll have an Open House in Fellowship Hall to display all of our fabulous special art projects. Thursday afternoon will be special games on the blacktop. But the favorite activity for the week is the all-school trip to the beach on Friday. All parents are welcome and invited to attend and chaperone. Permission slips will be coming home with your child in the near future.

The students will each receive a t-shirt to decorate with their class. They may wear this t-shirt to school with regular school bottoms all week. They may also wear Ocean Week t-shirts from previous years. All students must wear their 03-04 t-shirt to the beach on Friday.

### VOLUNTEERS NEEDED

Can you help out? We need volunteers to supervise students at the lunch tables and lunch recess on the blacktop. Lunch is 12:00-12:50, and recess is 12:20-1:10. Please call the school office to let us know which day of the week you're available. ***THANK YOU!!!***
